

## “Strengthening The Foundation and Rebuild the Walls”

Ezra 5:8-9

Rebuilding the Temple that was destroyed...

<sup>8</sup>The king should know that we went to the district of Judah, to the temple of the great God. The people are building it with large stones and placing the timbers in the walls. The work is being carried on with diligence and is making rapid progress under their direction.

<sup>9</sup>We questioned the elders and asked them, “Who authorized you to rebuild this temple and to finish it?” <sup>10</sup>We also asked them their names, so that we could write down the names of their leaders for your information.

Ezra 11

<sup>11</sup>This is the answer they gave us:

“We are the servants of the God of heaven & earth, & we are rebuilding the temple that was built many years ago, one that a great king of Israel built & finished. <sup>12</sup>But because our ancestors angered the God of heaven, he gave them into the hands of

Nebuchadnezzar the Chaldean, king of Babylon, who destroyed this temple and deported the people to Babylon.

Matthew 7:24-27

Build your house on the “Rock” the storms came, but it stood. Building on sand is a building of fear and fret.

Therefore, everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose, and the wind blew and beat against that house; yet it did not fall, because it had its foundation on the rock. But everyone who hears these words of mine and does not put them into practice is like a foolish man who builds his house on sand. The rain came down, the streams rose, and the winds blew and beat against that house and it fell with a great crash.

Amen
