Dear Family and Ministry Partners!

Marsha & I want to send out our thanks to you for this blessed 2014 year. As we are preparing this newsletter we have had a chance to look back on the last 12 months & we feel blessed to have been able to serve the Lord with this ministry another year. We are so thankful to you our Prayer Team, Board, Advisors and Ministry Partners who support the work of this ministry with your faithful prayers & financial support! Every year we are anticipating a more fruitful new year in the hope to extend the hand of God/Yah to more & more people. Especially in these last days when people are really desperate for any hope at all, we are able through your support to lead them to the only true hope that lies in our Lord & Savior Jesus Christ/Yes, Yeshua the Messiah!! During this beautiful time of year as we all gather with friends & family to celebrate & worship our King, we pray that you will feel the love of God in new & increasing ways & like us you will feel a desire to share that love

with others. The most important change of all always, has to be in us & in our hearts, because Jesus said it so plainly, "He can't put new wine in old wine skins." [Matt 9:17] Yes, Jesus said, "He desires compassion not sacrifice." Compassion starts in our hearts to those closest around us & spreads to a lost & dying world. Yes, friends we have so much to be thankful for, let's hold onto that joy & make it our plan & our prayer to do as much as we can through the power of the Holy Spirit to reach the lost & hurting around us with the message of Jesus' love & forgiveness. Our prayer for the new year [Colossians 3:3-6] is for new doors to open for the spread of the gospel & that we can all make the most of every opportunity to season our speech with salt using grace & wisdom so we will know how to respond to each & every person that God sends our way. We are sending our gratefulness & God's blessings to you & your families in the New Year!

Love Carmelo, Marsha

“Beacon of Hope” Franklin, Pennsylvania*Beacon of Hope*

Beacon of Hope is a building that is being rebuilt and designed to be a community outreach center in Franklin, Pa. This past summer Marsha and I were able through your offerings to go back and complete the final stage of cleaning out the home, connecting the water pipes, making repairs to the roof and make preparations to paint and install a functioning bathroom. We were also able to purchase the double lots behind

the house to use for additional parking and secure the property. During the clean-up process, Carmelo was able to disciple a young man who was in great need to know his heavenly father, we are always so excited to see how the community leaders and our neighbors are looking forward to the opening of Beacon of Hope to help those in need in this community.

Compassion International

Freeing children from severe poverty in the name of Jesus with the support of this ministry, Marsha and I were able to sponsor a child in Indonesia named Yosean he has recently turned 4 years old. This family lives in severe poverty and they are a Christian family which is not the norm in Indonesia. Because of this support the family is able to get much needed food and medical attention and Yosean will be able to attend a Christian school in his community very soon.

We are also able to support children and families that are in very desperate and critical situations such as life threatening diseases and sexual abuse. The ministry has been able to help the community:

- Osceola county through feeding the homeless and partnering with

area feeding shelters

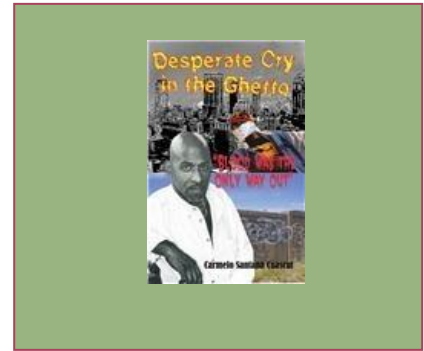

- the back pack program in Sumter county which offers food to school children to be able to eat when the school is not open

- offering prayer and food supplies to families in need in our local community

Street Gideon Ministries continues to partner with International ministries to spread the gospel Messianic Jewish Alliance of America/ Israel Pastor Peter, Helen/ Dawn Ministries in India/ Christian Aid, Joyce Meyer Ministries, Billy Graham Ministries/ My Hope 2014 Heaven. Every year we are able to make a prayer list of unsaved friends and family members and we pray over this list and are amazed as God answers these prayers. Please visit Billy Graham Evang. Association site for your free copy of Heaven.

New Book

Carmelo has started his second book & continues to labor on this project we are hoping to have the work completed & the funding in place to send it to a publisher in the new year. We are still distributing the "Desperate Cry in the Ghetto" book to people who call the ministry with concerns for loved ones who are desperate for a miracle in their families loved ones lives. Thank you for supporting this ongoing project.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future "
Jeremiah 29:11

A special message from our family

Marsha was able to complete two studies this year Romans 3, Colossians. I get so much wisdom & spiritual growth from these studies. I really encourage you to go online or get involved with bible studies at your local church. God's word commands us to be fully equipped to rightly handle the word of God !! This is a part of our spiritual armor, we just can't afford to be without & as I draw closer to God's word, I draw closer to Him. I'm really looking forward to making time in my relationships to disciple more women this year.

This year Carmelo has returned to work at Vision Quest National & Marsha has been working at Vacation Village Resort. This has been a time of ministering in the marketplace to both the clients we work with & to the staff. It's not easy to work with people day in & day out in a secular environment, but I have to say it's been very rewarding, of all the work we have done this year, I really have seen God's hand really move in this area, because God needs us to be involved in relationships. This is an ongoing process and we are grateful to be working & ministering at the same time. We know that in several cases if we were not involved in some of these peoples' lives, they would probably not hear the " truth"

Hat's off to all of our ministry family who God is using to reach the lost at their jobs!!

Gideon Prayer Team

This is our ministry prayer team who pray over your prayer requests and our ministry family. Every week they intercede on behalf of the needs of this ministry. Thank you Team members for your faithful support. We praise God for all the answered prayers this year!!

Well Family as we bring this letter to a close, we are already thinking of additional plans the Lord is calling us to begin in the new year. We would not be able to complete this work without your prayers but we also need finances to accomplish all God has called us to do. Every year we want to reach more people than the year before and we also have ongoing projects that need your help. Please consider partnering with this ministry. We pray you are encouraged to read about what God is doing through this ministry and that you will make a commitment to be involved in a greater way than ever before in God's kingdom work.
