VICTORY OUTREACH TOUR

[Psalm 60:11-12] Give us aid against the enemy, for the help of man is worthless. With God we will gain the victory, and he will trample down our enemies.

Dear Brother's and Sister's in Christ,

Street Gideon Ministries is headed back to New York City and once again we are seeking God's continued direction and your prayers.....We will be gone from May 14-28th

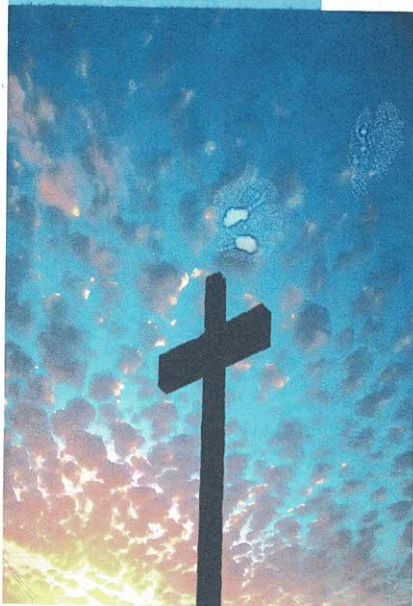

We are asking the LORD for lives to be saved, and transformed, hearts to be healed, and doors to be opened for continued work, both now, and in the future. We are getting excited just thinking about it. I hope you are too. God is so awesome. So many months of prayer, and planning, go into these relatively short trips. However, first, the Lord must do a work in us to make room for more of him. And oh, what a work he has been doing, Praise God.

The Lord has definitely been doing some reconstruction in Carmelo and I. We feel like all the furniture is being moved and the cob webs are being torn down and that's in our heart's and minds, it sure doesn't feel very good. But what an awesome work he will be able to do through us, for this Victory Outreach Tour. [I guess spring cleaning has taken on a whole new meaning.] And we are claiming victory right now in the name of Jesus, for His glory, honor, and the expansion of His kingdom. We would like you to prayerfully consider partnering with this ministry, for God's kingdom work to be done on earth as it is in heaven. You can help us by praying for the success of this trip, and in the financial cost for this two week outreach, which is conservatively estimated to be \$3000.00 with the expenses of the R.V. Please know that any size gift is appreciated, because it all adds up to victory in the Streets. What a small price to pay, when Jesus has already paid the biggest price in full, all we're doing is walking out his will .for this ministry. Please remember we love you so much, and we truly appreciate all you do. We hope you enjoy this spring issue of "Taking Jesus to the streets" Let's all continue to praise Him for his work both in the United States and abroad.

Please keep in mind all donations can be mailed to Street Gideon Ministry, P.O. Box 9, Dade City, Florida 33526. And if you would like Street Gideon to share at your church or organization, please call Marsha directly at 407-973-2660, or e-mail us at streetgideon@yahoo.com. Be Blessed

In His service,
Carmelo and Marsha Cuascut

THANKS TO THE MINISTRY PARTNERS

We would like to extend our heart felt thanks to all of our partners at Street Gideon Ministries, Your prayers, and support both now, and in the past mean everything to us, without this, we would find it very hard to move out under God's calling. As we gear up for the "Victory outreach tour" we would also like to thank the support of several new area businesses, and

Ministries, who are recently sharing in God's vision of "Taking Jesus to the Street's". We appreciate the continued support of local families, in this area and around the United States who we feel many times give out of their own need, putting God's work first. I pray, and also know from God's word that he has a special blessing for all of you. Our goal is to glorify the Lord and his work in the Street's. Thank you,

for sharing in the Lord's work, of touching the hearts and souls of the lost and hurting. We are already looking forward to the awesome testimonies that will come out of this May outreach. And pray to be able to continually share them with you through this newsletter... To God be the glory.

Deliverance in the Bronx

*"Come to me,
all you who are
weary and burdened,
and I will give you rest."*

Matthew 11:28

We went into the Bronx today, where the gangs hang at around the zoo; it's very cold physically, and spiritually. Not a lot of people out, just a few local people, and the drug dealers. Carmelo really took the leading of the Lord today. We passed out tracks for "Street Gideon", and met a guy on the corner named "S," Carmelo asked the

the young man's gun in his jacket. The young man got so nervous as we were sharing the Lord with him that we could tell he was a look out, then when we prayed with him he was so physically and spiritually touched he was shaking. I don't think I'll ever forget the look on his face as the Holy Spirit entered his body. We prayed and spoke to him for quite a while, and left him information about the Lord, He seemed sad to see us [The Jesus in us] move on. Then we crossed the street and met a man named "J" "who asked us to pray for his wife who is sick with asthma... We met several other people as we moved around the blocks, they're telling us they know they need to go to church and will we pray for them, I guess the holy spirit is convicting them, as we keep moving Carmelo approaches a lady and hands her a track, he asks her if she need's prayer for anything, and then out of the

stillness of the morning air comes the most desperate cry for help, I have ever heard, she cries out yes, shrieking, help me, pray for my soul. We join hands and ask her if she wants to accept the Lord in her life, she is crying and say's yes and we lead her in a prayer of repentance and asking Jesus to come into her life, her name is "S," the holy spirit reveals to me that there is a lot of generational sin in her family, and we pray for her children, and the rest of her family. As we are finishing our walk we meet a last man before leaving the area, he approaches us and we shake hands and he say's he knows why we are there, and he appreciates what we are doing in their street, and thanks' us. And say's" keep up the good work." What a surprise. The Lord has put his covering of protection over us and around us. And given us his favor. As we walked the streets today many lives were transformed into

young man if we could pray for him, he said yes, and Carmelo hugged him so tight while they where praying that Carmelo could feel

God's image. It was so cold and I have to admit we were kind of scared as we went into the Bronx; it had a very different feel. But the Lord moved in such a powerful way. Each area has a different feel because of the spiritual oppression But God is so powerful he is binding the strong men and the rulers of darkness. And showing us once again, greater is he that's in me, than he that is in the world. All praise and glory to your name .Holy Lord and Savior. For the pulling down of strongholds. Praise God from whom all blessings flow.

FROM THE HEART

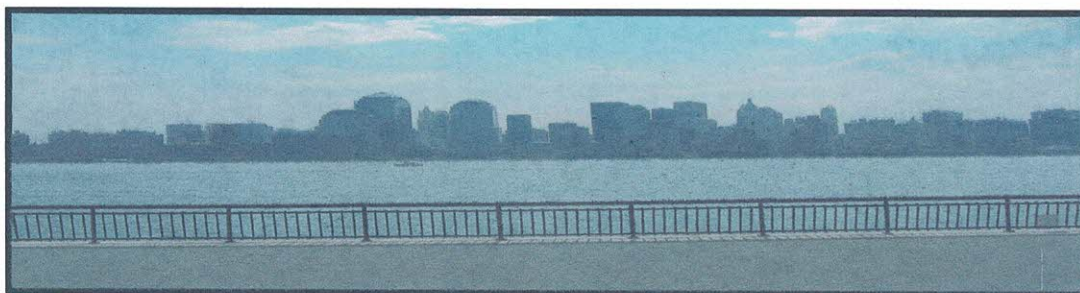

As Marsha and I prepare for our 3rd encounter in May, I can't help but reflect back to Jesus, our precious Lord, and the pain, and suffering that he suffered on the cross, that dark and glorious day he died for our sins. And what that really means, as I myself, have gone through what I consider brokenness, which is nothing at all compared to his pain that day on the cross .He allows us to see through his eye's and feel through his heart in our small sufferings. We feel his compassion, and his love, which is what we take to the streets, and everywhere he allows us to go. And we praise him for another opportunity to lift him up in our lives, and glorify his name. So please remember us in your prayers as we set our course to where God has called us to go, to the people he has called us to reach, where there is so much need of the gospel, to be preached, of course both here, and around the world. However, the Lord is showing me that our own country is deteriorating from within. From our inner cities, and neighborhoods, our schools, and homes, and families. We see how the enemy is trying to tear this country apart. With gangs, drugs, and lack of godly values.

Violence is escalating, and destroying the minds and hearts of our youth. But there is good news and it is the only way we can turn this country around, and his name is Jesus. At which every knee will bow and every tongue will confess. **[Romans 10:13] for, "Everyone who calls on the name of the Lord will be saved"**. Yes, beloved, everyone. So go with us before the throne of God, and help us pray in the souls that Jesus would have us touch, and help bring into his kingdom. For mine is the Victory says the LORD.

[1 Corinthians 15:57-58,] But thanks are to God! He gives us the victory through our Lord Jesus Christ. Therefore, my dear brothers, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.

Amen

Street Gideon Ministries is called to travel to the cities throughout the Nation and spread the Gospel of Jesus Christ; to have "church" in the streets. Jesus came to set the captives free and to make a path out of darkness into His glorious light.

Matthew 22:8-9

Then He said to His servants, "The Wedding banquet is ready but those I invited did not deserve to come. Go to the street corners and invite to the banquet anyone you find."
