## FAMILY OF BELIEVERS

**Isaiah 53: 4 Surely he took up our infirmities and carried our sorrows, yet we considered him stricken by God, smitten by him, and afflicted. But he was pierced for our transgressions; he was crushed for our iniquities: the punishment that brought us peace was upon him, and by his wounds we are healed. We all, like sheep, have gone astray, each of us has turned to his own way: and the LORD has laid on him the iniquity of us all.**

Brothers and Sisters in Christ. God Bless you all. Our prayers are with you this Easter season. As we celebrate our risen Lord. Your faithfulness shows that you are truly carrying your cross daily. We continue to pray for this nation, and the worldly that are perishing without the knowledge of their savior Jesus Christ Yes, we are the light that is to go into all the earth so mankind, the poor and needy

[financially, physically, and spiritually] can receive the hope that they are not lost. Many of these people are questioning their very existence, and why they are here. Oh, precious one, let's go out and share the good news that we serve a living God. Jesus said God is the father of the living not the dead. [Matthew 22:32]. So we all have hope in Christ that we will live eternally with him, and our saved loved ones in heaven one day. Yes, Jesus overcame death on the cross. Let us rejoice at this special time because we are so blessed that we don't serve a rock, or man made statue, but a living spiritual being. While for some this would be the argument not to believe, we know that the one true living God is ours to worship and to share in spirit and in truth. [John 4:24] As we celebrate Jesus resurrection, we can't help but examine the horrible betrayal and gruesome death Jesus suffered for our sins. Jesus endured all of this for

one purpose which was to reconcile us back to God as a sin offering. During this time Jesus had no one to stand beside him, everyone deserted him, but the Father, and on the cross even God had to turn away from his son because of the sin Jesus was carrying. None of us want to experience being betrayed. And when we do, we fight back. But Jesus suffered in silence as he knew what he must do, no one understood but Jesus, and his heavenly Father. We don't know what you are going through or what God has asked you to surrender for him. But Jesus left us a model to follow in life and as we approach death to self. Listen to the Father, follow his voice, God's voice is the living word. [Philippians 2:14-16] And this will bring us life and life everlasting. Amen

## MINISTRIES UPDATE

**Thank you so much** for the prayers, and support of our ministry partners. Thank you for using our new address in Groveland to mail your cards and donations. Carmelo and I appreciate all that you do, as we see this Ministry growing, and our Ministry team expanding we know more lives will be touched with the life saving message of Jesus Christ. We hold all of you up in prayer, and feel richly blessed to have such strong kingdom minded saints to serve beside us. We have a new budget, and agenda to work towards in 2009, with a financial goal of raising \$8000.00- \$9000.00 dollars this year all of which we use for our various ministry facets listed below. We have so much to be grateful for. In the past this has been accomplished without government assistance. We have submitted several grants, in support of our work, with the youth, and we are praying for God's will to be done. We will keep you updated as we receive more information. This year we have pray fully considered only the essential work that we feel God would want us to do. Many people are facing financial hardships of their own. Our goal was to not further burden people with our needs, but to operate out of consideration of others, and obedience to the Lord. As funds come in we will expand more of the vision. We are now going into the four corners area of Lake County on a monthly basis, with food, and ministry outreaches. This is greatly needed in this area. We have a team that is instrumental in helping us accomplish the goals God has put in our heart. We also have a production company that is helping us produce a series of videos to educate and raise awareness on teen violence and drug abuse in our schools and communities. We pray this project will bring healing to many. This video will be distributed to schools, youth groups, and T.V. stations. Please continue to pray about becoming a monthly partner with this ministry. God bless you all for having the heart of the Father in seeing his Kingdom work accomplished.

## CARMELO SHARES FROM THE HEART ABOUT FORGIVENESS

Let us never forget why we are celebrating this Easter Event, The victorious battle that our savior Jesus Christ won on the cross, when he shed his precious blood for our sins. When I think of this pivotal time in the history of Christians I remember through out scripture what a profound effect Jesus had on many lives before he even went to Calvary, But I can't help but always being touched by the men who hung

beside him on their crosses, one was mocking the Lord, but one man was asking Jesus to remember him when he came into his kingdom, he was repenting of his sins admitting, "I deserve this punishment." But Jesus told him "today you will be with me in paradise." Today I will pay the penalty for your sins. Yes, even on the cross in his own state of anguish Jesus was still reaching out. The other man was willing to repent, and Jesus as always, was ready to forgive.

Friend I don't know what

you need to be forgiven of, but I do know Jesus is still here today with his arms open wide ready to forgive, but it takes a 180 degree turn, I pray that we can open up our hearts, and allow God to show us where we need to repent, and who we need to forgive [forgive us our sins, as we forgive those who trespass against us], Let's start off on the right note, because Jesus gave us his perfect example when he said 'Father, forgive them for they do not know what they are doing.'

God Bless you all,  
Carmelo
